

# Classroom Learning

Arrive to class on time

Have all your equipment/books/class materials ready for class

Do not eat, drink or chew in class

Have your homework/best effort in class to show your teacher

Sit quietly in your allocated seat

Remain in your seat unless permission to move has been given by your teacher

Take out your journal, copies, books homework promptly

Listen carefully in class

Participate actively in class-join in the learning activity

Ask questions if you are not sure you understand

Be respectful to other students and their questions/comments

Be respectful to your teacher

Make sure you note all your homework in your journal

Tidy the room before you leave

Last period in the evening, close the windows, put the chairs up onto the desks, and turn off all lights.
