

Coláiste Pobail Setanta

Details of meetings/training times:

Monday Mornings at 8am.

Activities engaged in this year:

The sports council was selected from a number of applications from 5th and 2nd year students. There were 8 boys and 4 girls selected. Some of the successes of the sports council this year were:

- Organising a first year sports league in semester 1
- Helping to organise the Sports week, Anthony Talbot Memorial blitz and Sports days and also running them on the day
- Designed school kits and also a sports council uniform which they part funded.
- Managed equipment and jerseys throughout the year.
- Drew up and designed an Easter news letter for the sports department.
- Provided a link to students and sports department

Resource development:

Sports council polo shirt designed and will now be an added feature to the role of someone in the sports council in future years.

Future planning:

Next year we will be hoping to have 5th year and TY members as the school gets bigger. We would also aim to make the newsletter more frequent and tie in with the computer club to help this happen. We may also delegate members of the council in pairs to a sport and leave them in charge of the administration of this for the year ie kits, reports, photography etc.
